LinkedIn: jonathan-d-amato

PROFESSIONAL SUMMARY

Third-year student of Marketing & Visual Communications at Baldwin Wallace University. Experienced in small-group facilitation, public speaking, writing, photography, and social media management. Skilled with graphic design tools such as Adobe InDesign, Adobe Illustrator, & Canva.

EDUCATION

Bachelor's in Marketing; Minor in Visual Communications
(degree in progress, set to graduate in 2028)

2024-Present

EXPERIENCE

Mercedes-Benz of North Olmsted

2026-Present

Personal Videographer & Content Strategist | Doug Horner (@benzsandbowties)

- Conceptualized and produced high-engagement video content for a prominent social media creator (@benzsandbowties), expanding national reach and driving inbound client leads.
- Accelerated account growth by +3,000 followers within the first month through targeted short-form video strategies and consistent, engaging visual direction
- Collaborated closely with Doug to align creative storytelling with high-end automotive sales and marketing goals, with the end result getting more clients in the door

Baldwin Wallace University
Orientation Leader

2025-Present

- Successfully led 7 engaging, interactive, and informative orientation sessions for first-year students and families in 2025; on track for 7 more in summer 2026
- Facilitated small group sessions, conducted informative presentations, and delivered meaningful content in large group settings
- Addressed concerns of attendees through critical thinking and problem solving

EXPERIENCE (CONTINUED)

2025-Present

Alpha Sigma Phi Executive Board

VP of Alumni & Family Relations, VP of Communications

- Successfully planned the largest alumni cookout in over 10 years during homecoming weekend in 2025
- Designed (Canva) and distributed a newsletter recapping the happenings of the Fraternity over the recent semester
- Currently running the Alpha Sigma Phi Instagram
 - boosted engagement by 162% from March 2026 to April 2026
 - achieved 45,000+ views across the month of May

Kee on Sports

2025-Present

Journalist

- Attended weekly local high school football games to write articles for Kee On Sports
- Photographed pregame activities with a professional camera to create cover photos for online news articles
- Utilized Excel Spreadsheets with formulas to track stats in real time
- Took drive-by-drive notes via pen and paper as supplemental information for articles
